Who is anodox consulting?

Originally formed in 2016, Anodox has a strong automotive industry pedigree. The firm's consulting assignments have included high-profile projects with internationally recognised brands. Now the company is focussed on pursuing large product supply contracts, targeting the rapidly expanding Electric Vehicle (EV) and sta

How does anodox perform the service?

ANODOX performs the Service during regular working hours according to the price list in force at any given time. ANODOX is entitled to compensation for work outside regular working hours according to the price list in force at any given time. Payment is made against invoice after an examination of the customer's creditworthiness.

Does anodox offer a guarantee?

The information provided on ANODOX's website does not constitute any statement of usability, suitability or guarantee other than where this is directly stated in writing to the customer. Current offers are valid while stocks last, unless otherwise stated.

What rights does anodox have to a customer?

ANODOX has the right to refer the customer directly to the respective manufacturer or to a service workshop designated by the manufacturer to rectify the fault. Additional rights for the customer may follow from the respective manufacturer's own guarantees aimed at the end customer.

Is anodox liable for a loss of data?

ANODOX is under no circumstances liable for indirect or consequential damages, such as loss of production or loss of profit, or other damages resulting from the impossibility or difficulty of using computers or information, or for loss of data.

Can anodox transfer the agreement to a third party?

ANODOX has the right to transfer the Agreement to a third party without the customer's consent in connection with the sale or transfer of ANODOX's operations or part thereof or to its subsidiaries, through merger or fission. ANODOX reserves the right to change these General Terms and Conditions of Sale at any time. Forgot your password?
