

Why is Burmester collaborating with Ferrari?

In the collaboration with Ferrari, Burmester is treading a new path of high-end automotive sound development which elevates the sound experience to an entirely new level of heightened sensory perception. [learn more](#)

Who are Dieter Burmester & Udo Besser?

Founder Dieter Burmester and CEO Udo Besser are upbeat, fun-loving personalities who enjoy demonstrating their latest home audio gear--that is, when they're not working on the latest updates to their sound system for the \$2.1 million Bugatti Veyron 16.4 supercar. This past year they introduced their new B25 loudspeaker, an 88-lb floorstander.

Which models have Burmester sound system?

Burmester's sound systems in the models of Porsche and Mercedes-Benz offer three different default settings: Pure, Smooth, and Live. The 3D-mode is only available in the Mercedes-Benz S-Class, the E-Class, the new W177 A-Class and the Porsche Panamera.

Burmester Audiosysteme got its beginning in 1977. As a musician since his early days, Dieter Burmester always wanted to make his audio components and loudspeakers reproduce music as naturally and purely as possible. [4] [5] It was the malfunction of a faulty preamplifier that caused the development of the first Burmester product. Because the products on the market couldn't ...

Burmeister is a surname of German origin. In zoology "Burmeister" refers to: Ernst-Gerhard Burmeister, German entomologist; Hermann Burmeister (1807-1892), German zoologist also in botany "Burmeister." Other people named Burmeister include: Annelies Burmeister (1928-1988), German contralto; Arnold Burmeister (1899-1988), German military ...
