Comtec Energy LED Street Lights are Made in Pakistan with strict quality controls, each product is run for 48 hours under "burn test" conditions. There are few makes and models in the market which can compete our quality in an "apple to apple" comparison. Energy efficiency and longevity of LED street lights are two forceful convincing factors for new installations as well as in ...

Comtec Energy is working with customers and prospects across the country to install smart & concept solutions which integrate new or existing power generation assets with renewable solar to meet....about us. Trade Links. Associates Network; Become an Associate; Special for Installer;

Focusing Solar Powered Water Pumping Systems We are the authorized appointed distributor of Franklin

Comtec energy Myanmar

Electric (FE) for their system packages, submersible pump and motor systems for the territory of Pakistan, Afghanistan and the assigned customer segments anklon Electric is a global leader in the manufacturing and distribution of

G-CELL Batteries The storing and retrieving of tiny electrons is possible in a variety of ways, materials and processes that can do this function are plenty in nature. Solar - neatly produces electrons by photovoltaic method, a cost effective electron cycling mechanism is suitable for most solar projects. Sealed SLA deep cycle batteries are the

Multifaceted Mind: Philosopher, Author, Entrepreneur, and Professional Engineer · Experience: Comtec Energy Ltd. · Education: U.E.T. Lahore (Pakistan) · Location: Islamabad · 500+ connections on LinkedIn. View Qazi Irfan's profile on LinkedIn, a professional community of 1 billion members.
