

x Heucherella "Solar Power" is a broadleaf evergreen perennial groundcover with burgundy and gold foliage. In spring white flowers emerge. Attracts bees making it an excellent addition to pollinator gardens. Grows well with sun - mostly shade and even moisture water. Does well in rich and well-drained soil. A good option if you're seeking something heat tolerant.

Solar Power Foamy Bells features dainty spikes of white bell-shaped flowers rising above the foliage from late spring to early summer. The flowers are excellent for cutting. Its attractive glossy lobed leaves remain yellow in color with showy red variegation throughout the year.
