We only use tier one solar ...

Hear some of our solar customer testimonials & what they say about their experience with going solar with IntegrateSun, & how solar benefited their families & businesses while saving them thousands of dollars each year!

IntegrateSun uses "on-grid" systems, meaning that they are still connected to the electrical grid. On-grid solar energy systems are necessary to transfer excess power into the grid, which can result in a credit to customers in some states. On-grid systems also keep you connected to the grid for additional power from the utility.
