

What is Nadara & why is it important?

"Nadara comes from the Scottish Gaelic word 'Nàdarra', which means 'natural' in English. It perfectly embodies our commitment to renewable energy and is a nod to the strong Scottish heritage of both Ventient Energy and Renantis with their significant Scottish asset base and close connection to the local communities." Ed continues:

Is Nadara operating at scale?

Toni Volpe, CEO of Nadara, said: "At Nadara we are already operating at scale. Our new combined entity is one of the largest independent renewable energy companies in Europe and gives us the flexibility and agility to scale even more efficiently."

What is Nadara's long-term strategy?

Nadara, Europe's largest independent onshore wind producer, announces the new combined entity's long-term strategy, focused on scaling up and growing to deliver an 18GW development pipeline over the next 10 years, while maximising the value of its existing operating portfolio for stakeholders.

Who is Nadara - bluefloat energy JV for offshore?

The Nadara - BlueFloat Energy JV for offshore participated in the Offshore Wind Talent Academy, sponsored by AERO Associazione delle Energie Rinnovabili Offshore and ELIS. The objective of this initiative is to create a pool of specialised and skilled young professionals who can support the development of offshore wind farms in Italy.
