

Will a 5 MW solar installation make Maldives a popular destination?

Now, one of the first sights for any of the 1.7 million tourists visiting the Maldives will be that of the 5 MW solar installation on the highway linking the airport island to Male and its satellite town of Hulhumale.

How much does a solar project cost in Maldives?

In 2022, 63 investors expressed interest in the third 11 MW solar project in the remote islands of Maldives, and a record low price of 9.8 US cents was received. This is one of the lowest tariffs for any small island developing state (SIDS).

Should investors invest in sustainable solar projects in the Maldives?

In 2014, the first 1.5 MW solar project under ASPIRE only had four investors' bids, and resulted in a high power purchase price (PPA) of 21 US cents per unit of electricity, indicating a lack of interest from investors in investing in sustainable projects in the Maldives.

When will the Aspire project start in the Maldives?

The inauguration of the 5 MW solar project on December 7, 2022 under the ASPIRE project has been a game changer in the energy transition journey of the Maldives.

What is rooftop solar for Islands?

Rooftop solar for islands Swimsol provides affordable and durable marine floating & rooftop solar PV systems for the tropics, where land space is limited. We make solar energy a hassle-free experience by handling all the tech & maintenance. We work with ultra-luxury resorts and small businesses alike - always aiming to provide great service.

Is the Maldives a sustainable investment destination?

This journey, which started in 2014, is now seeing unprecedented interest from international investors and helping establish the Maldives as an investment destination for sustainable projects.

Centara Hotels & Resorts has transformed one of its Maldives resorts into a self-sustaining solar energy generator after the adoption of a rooftop solar panel system that will begin producing electricity this month. Following the completion of solar panel installation atop the roofs of all of the resort's main structures, Centara Ras Fushi Resort & [...]
