Thank you for your purchase of the AMETEK Powervar Security II Series UPM (hereafter referred to as "UPM"). AMETEK Powervar manufactures two versions of the UPM - a standard version, and a medical version listed to UL60601-1 and cUL C22.2 No. 60601.1. In addition, all models are compatible with International electrical distribution systems.

To ensure clean power, it's important to install a Powervar Power Conditioning or UPS (uninterruptible power supply) system that can provide a steady, reliable source of full conditioned power to the POS system. This ensures that your POS system is constantly protected from any power disturbances before they can affect the system.
