Dynamic San Marino Infrared Sauna Comparison with Ceramic Panels Saunas. Unique Design: San Marino's clear tempered glass door, two side windows, and construction from Canadian hemlock wood with dark honey color provide a stylish and welcoming appearance. It is the perfect sauna for two people to enjoy a relaxing time together.

Geli, which stands for Growing Energy Labs, Inc., provides software and business solutions to design, automate, and manage energy storage systems. Geli's suite of products creates an ecosystem where project developers, OEMs, financiers, and project operators can deploy advanced energy projects using a seamless hardware-agnostic software platform.

Geli's software platform streamlines the energy storage development process, offering a solution for design, automation and management of Battery Energy Storage Systems (BESS), it says. The company says that its software uses AI to determine the optimal size of the BESS and maximize the potential revenue stack for customer deployments.
