

Solar lighting system Ireland

Electric Skyline offers innovative, energy-efficient lighting solutions for sports and public spaces, along with solar installations for commercial and residential properties, resulting in lower operating and maintenance expenses.

Solar lights are a great, environmentally friendly way of enhancing your garden with wonderful accent lighting. The light makes your garden safer, there is no need to lay cables in your garden and you don't need to spend ages installing the lights.. And the best thing: these lights won't increase your electricity bill. They source their energy solely from the sun.

At Sun Arc Solar, we believe in giving back to the community and taking responsibility for the impact we have on our surroundings. In line with this belief, we have launched our CSR programme, with a mission to educate and sponsor the youths of today. Our focus is on promoting sustainable energy by providing workshops for schools around Ireland.
