With limited dive operators in the Solomon Islands, much of the underwater reef systems are rarely dived and are amongst the healthiest I have ever photographed. In some places, the coral gardens seemed to go on ...

With limited dive operators in the Solomon Islands, much of the underwater reef systems are rarely dived and are amongst the healthiest I have ever photographed. In some places, the coral gardens seemed to go on forever accompanied by a variety of reef species that rival anywhere else in the marine biodiverse Coral Triangle.

it has been argued that RAMSI" s 14-year tenure in the Solomon Islands had limited impact in terms of re-building the social and economic policies in the island nation, with rural communi-
