Where does the sun rise in Venezuela? The sun always rises in the east, everywhere and regardless of the country or continent. The easternmost city in Venezuela is Santa Elena de Uairén in Region Guyana. There, the sun rises ...

After receiving a *Psalmopoeus cambridgei* as a freebie, I immediately developed more of an appreciation for arboreal tarantulas other than ones in the *Poecilotheria* genus. Eager to add some new tree spiders to my collection, I was again reminded of the *P. irminia*. I was more than ready for this spider now, so when I saw that Tanya at Fear Not Tarantulas had a juvenile ...
